ethos

> **Ethos Laboratories is proud to partner with school districts during the 2021-2022 school year to provide COVID-19 testing solutions. Ethos' FDA Emergency Use Authorized (EUA) COVID-19 PCR test identifies active infections in symptomatic or asymptomatic individuals.**

The following instructions will assist parents/guardians and staff with the registration process to opt-in for COVID-19 testing at their school.

1. Go to https://www.ethosbacktoschool.com/.
2. Click the "Create Account" button as either a Parent/Guardian or Staff Member.
   a. Create a Username
   b. Enter your first name, last name, and email address
   c. Create and confirm a Password
   d. Click Submit
3. After creating your account, Parents/Guardians can register students and Staff Members can register themselves.
4. To register a student or staff member, click the "Register Student" or "Register Staff" button.
   a. Choose the School State, School District, School Name and School Grade from the drop-down menus
   b. Enter the Teacher's Last Name (optional, only listed for Students)
   c. Enter the First Name, Last Name, Birth Date, and Sex
   d. Choose the Race and Ethnicity (optional)
   e. Enter the Street Address, City, State, Zip Code, County, and Phone Number
   f. Enter an Email Address to be used for communication about results
   g. Check the box to consent for testing
   h. Click Submit
5. To return to the home page, click the "Return to Home Page" button, where you can view your account, FAQs, and logout.
6. To opt-out of testing at any time, simply click the green button below the registered name to change it from "Enrolled" to "Not Enrolled."

COVID-19 ACTIVE INFECTION TESTING
