### Principal's Note

Hello Cardinal Families,

We have had a very busy few weeks of learning and fun! Today was our Annual Walk-a-thon! The students and staff had a blast walking and busting a move to some great 80s tunes! Some of us dug into our closets to find some great 80s gear!

We raised over \$8,800!

Way to go Cardinals!

A special thank you to our corporate sponsors:

Alford Plumbing, Caruso

Logistics, Works Industrial Repair, Jeri Stull Orthodontics, Jolly Plumbing, RA Jordan Remodeling, Kentucky Farm Bureau, Jed's Landscape, Miss Shirley's Bakery, R&S Petro 2 LLC, BAP JI INC, The Celebration Studio, Woodmen Life, TJ Johnson Insurance, Donaldson Landscapes & Hardscapes, TC Electric, Ramzee Renovations Clark's Taxidermy.

Last week the 4th grade students took a trip to the Environmental Education Center. They learned about raptors, plants and solar energy. There was also a visit from the Kentucky Reptile Zoo!

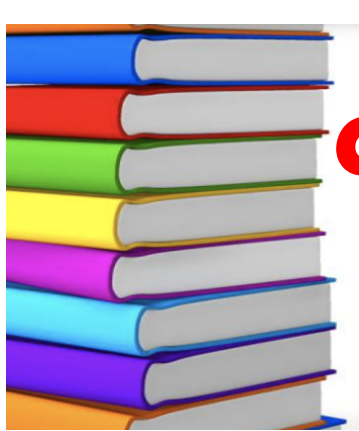

The fifth grade visited Grow it, Eat it, Wear it sponsored by the CC 4-H! Students rotated through 8 stations learning about where their food comes from, the history of agriculture and different careers in agriculture.

**GO CARDINALS! Ms. Hamilton**

### Safe Schools Week

Grant's Lick Elementary will participate in Kentucky Safe Schools Week, October 17-21. This year's theme is "Create a Ripple Effect" and the focus will be on the fact that no act is ever too small to make an impact. When you create a difference in someone's life, you not only impact their life, you impact everyone influenced by them throughout their lifetime. Join us and participate in this year's campaign "Create a Ripple Effect," which states the following: I pledge to be part of the Ripple Effect by:

Treating others the way I want to be treated

Saying something if I see something  
Helping others

Being kind

Following all school safety rules

Please show your support and take the online [pledge](#) and promise to help us make all environments in our school safe.

### UPCOMING EVENTS

10/8-10/16: Fall Break No School!

10/20: School Smiles

10/20: 3rd Grade Family Literacy/Movie Night

10/21: PBIS Fall Festival

### Officer Conrad, SRO

October is Anti-Bullying month. Fear of school, altered moods, sleeplessness, poor appetite, and decreased self-esteem are just a few of the behaviors a person who is being bullied may exhibit.

### PTO NEWS

The PTO is working hard to provide fun and family-friendly activities. If you are not involved yet and would like to get involved please contact them at [grantslickpto@gmail.com](mailto:grantslickpto@gmail.com)

### Somer Hurston, School Nurse

Please consider "recycling" your gently used kid's clothes to the school nurse. Together, we have helped GLE students over 75 times (just since the start of school) make it through the day after an accident, food/beverage spill, wardrobe malfunction and the like. The nurse office could currently accept Boys and Girls sizes 7-18 fall and winter. Your kindness would be used by a student having "one of those days" and you never know the child in need might be yours someday! Thank you for your consideration.
